Precious Shipping Public Company Limited and its subsidiaries Review report and interim financial information For the three-month period ended 31 March 2024 Independent Auditor's Report on Review of Interim Financial Information

To the Shareholders of Precious Shipping Public Company Limited

I have reviewed the accompanying consolidated statement of financial position of Precious Shipping Public Company Limited and its subsidiaries as at 31 March 2024, the related consolidated statements of income, comprehensive income, changes in shareholders' equity, and cash flows for the three-month period then ended, as well as the condensed notes to the interim consolidated financial statements. I have also reviewed the separate financial information of Precious Shipping Public Company Limited for the same period (collectively "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*. My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity.* A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*.

# Precious Shipping Public Company Limited and its subsidiaries Notes to interim consolidated financial statements For the three-month period ended 31 March 2024

#### 1. General information

#### 1.1 Basis for the preparation of the interim financial statements

These interim financial statements of the Company are prepared in accordance with Thai Accounting Standard No. 34 Interim Financial Reporting, with the Company choosing to present condensed interim financial statements. However, the Company has presented the statements of financial position, income statement, comprehensive income, changes in shareholders' equity, and cash flows in the same format as that used for the annual financial statements.

These interim financial statements are presented in Thai Baht which is different from the functional currency of the Company, which is US Dollar. The presentation in Thai Baht is in accordance with regulatory requirements in Thailand.

The US Dollar functional currency interim financial statements are translated into the Thai Baht presentation currency interim financial statements at the rate of exchange prevailing at the end of reporting period in respect of assets and liabilities, and at a rate that approximates the actual rate at the date of the transaction in respect of revenues and expenses, differences being recorded as "Exchange differences on translation of financial statements" in other comprehensive income, other component of shareholders' equity.

The interim financial statements are intended to provide information additional to that included in the latest annual financial statements. Accordingly, they focus on new activities, events and circumstances so as not to duplicate information previously reported. These interim financial statements should therefore be read in conjunction with the latest annual financial statements.

The interim financial statements in Thai language are the official statutory financial statements of the Company. The interim financial statements in English language have been translated from the Thai language financial statements.

#### 11.1 Capital commitments

On 26 February 2024, Precious Waves Pte. Ltd. ("the Subsidiary") signed a Memorandum of Agreement (MOA) to acquire one secondhand vessel for an aggregate price of USD 25.25 million. The vessel has been named "Hansa Naree". A 10% deposit in the amount of USD 2.53 million was paid with the balance due upon delivery of the vessel according to the term specified in MOA. As of 31 March 2024, the Subsidiary had a capital commitment of USD 22.72 million (31 December 2023: nil). The Subsidiary paid the balance on 5 April 2024. The subsidiary took delivery of the vessel on 11 April 2024.

#### 11.2 Contingent liabilities

During the current period, there have been no significant changes with respect to the contingent liabilities as disclosed in Notes 30 to the consolidated financial statements for 2023, save for the significant events in relation to the vessel Chayanee Naree.

On 20 February 2024, the Court rejected the no-case submissions, ruling that there is a case to answer due to drugs found on board the vessel. As a result, the defendants are required to file their defence and proceed to a full trial. The next Court hearings are scheduled for 6 - 10 May 2024.

On 4 March 2024, the Group's legal team in Nigeria filed an appeal against the ruling on the no-case submissions, which will be considered by a panel of three independent judges.

Based on the opinion of the Group's legal counsel and its legal counsel, the Company's management believes that it is premature at this stage to reliably estimate the amount of liability (if any) and therefore, no provisions have been made in respect of this case.

#### 12. Financial instruments

#### 12.1 Fair value of financial instruments

Since the majority of the Group's financial instruments are short-term in nature or carrying interest at rates close to the market interest rates, their fair value is not expected to be materially different from the amounts presented in the statement of financial position.

#### 12.2 Fair value hierarchy

As at 31 March 2024, the Group had the financial assets that were measured at fair value using different levels of inputs as follows:

#### 12.3 Forward freight agreements

During 2023, the Subsidiary in Singapore, Precious Shipping (Singapore) Pte. Limited ("PSSP") entered into certain forward freight agreements to partly manage risks of freight rate volatility. As of 31 December 2023, had sold 145 days of Baltic Supramax Index on the first quarter of 2024 paper forward at freight rates of between USD 9,800 to 11,750 per day (31 March 2024: nil).
